

NEXT
GENERATION
SCHOOL

American Islamic School

DEAR PARENT,

Welcome to Next Generation School (NGS) and thank you for being part of our school's community and for considering NGS for your child's education.

The name of our school reflects our vision to deliver an American Islamic education that delivers a comprehensive educational experience that cultivates, nurtures, and combines academic excellence with Islamic values, Arabic language and fosters civic responsibility to develop a new generation of successful and contributing members of a global society.

We are sending you our first bi-weekly newsletter to keep you up to date with the fast and smooth progress we are making at Next Generation School to welcome our students on 28th August 2016, when school starts.

The e-newsletter will regularly update you with news about our teachers, curriculum, school activities and any other matter related to our students and the school.

Dr. Sheryl Steinberg Abukar,
Principal

ABOUT NGS

Next Generation School is delighted to announce that the school is now 95% complete and the project is on time and running smoothly. The NGS team is looking at a handover date of end May 2016 for the school to be completed.

TECHNOLOGY FOR EDUCATION

Digital and educational technologies are an integral feature of NGS' learning environment. The very latest technology is integrated to assist students, and the building is fully equipped with IT systems including virtual and augmented reality systems, RFID student attendance, Access Control, Wi-Fi, CCTV, Public Address System, laser projectors, and latest interactive smart boards to enrich the learning experience.

OUR TEACHERS

Teachers are NGS's lifeblood. We are committed to employing staff who are equipped with a depth of knowledge in their respective fields - teachers who approach each day with a passion for their craft and for each of our students.

We are currently recruiting teachers. The majority of our teachers will be from the U.S. and Canada. We are also exploring recruiting options from the UK and Australia. There are many highly qualified teachers who are teaching in international schools around the world and we will be accepting their CVs as well.

ENROLMENTS OPEN/ MEET THE PRINCIPAL

Admissions are open and we are currently enrolling KG to Grade 5 pupils for the 2016-2017 academic year. Subsequent grades will open in the following years insha Allah.

To enroll your children or meet the Principal, you may book an appointment through our Registrar's team at: registrar@nextgenerationschool.ae or at: 600 569 008.
