ASSALAAM ALAIKUM DEAR NGS PARENTS/GUARDIANS,

May Allah bless and preserve you all!

Re-enrollment for the 2017-2018 Academic Year

Whether it is being recognized as a leadership school for our 1st to 5th grade leadership program, our classroom economy/entrepreneurship program, teaching the importance of charity, establishing the prayer at school, or seeing the curriculum come to life through the amazing work of our students, the 2016-2017 academic year has been absolutely incredible. Alhamdulillah, we have made amazing strides that exceeded our expectations and it is only the beginning Insha'Allah.

As is customary at this time of year, Next Generation School is engaged in detailed planning for the **2017-2018** academic year. A significant element in this planning is completing the re-registration forms for our current students.

We do anticipate having waiting lists in several grades, especially in **KG1 – Grade 3**. For your convenience, an email was also sent containing the re-registration form along with the fee breakdown for the upcoming school year.

Due to limited seats, kindly confirm the re-registration of your child as soon as possible. Priority will be given to our current students and their siblings for a limited time.

In order to secure your child's seat for next year, please note that the re-registration fee for existing students (**2,000 AED**) and **3** postdated cheques are due by **May 1st**.

CHARITY BAZAAR 2017

We would like to thank all of those who contributed in one way or another to the Charity Bazaar. The participation of students, parents, staff and community members was phenomenal! It was a wonderful event and Alhamdulillah **AED 72, 014.35** was raised and donated to Emirates Red Crescent.

SPORTS DAY

Students in all grade levels have been enjoying Sports Day this week. Although it is a student only event this year, we would like to thank those parents who contributed to their child's classroom Healthy Food party on their scheduled Sports Day. House winners for each grade level/group will insha'Allah be announced on Thursday!

IMPORTANT MESSAGE ABOUT

Respecting our Neighbors' Property

Unfortunately, people from our NGS community have been parking on the surrounding neighbors' property, sometimes even blocking their cars so they cannot leave. Our security guard has been asked to immediately call a tow truck company to remove any car seen parking on a neighbors' property. Please help us to maintain good relations with our neighbors by respecting their property and avoid having your car towed for parking illegally on private property!
